

# What's this all about!?

JMT METROSPORT - The Soccer Store now offers personalized professional videos for players who are interested in having a personal profile & biography on video to send to coaches anywhere in the world.

Use a personalized video to help you gain recognition for a scholarship opportunity or a pro try-out!

A personal video also makes a great gift that will be remembered for life. You will be able to upload it on to places like Facebook, YouTube, and others for anyone to see!
